

Applied Stochastic Models in Business and Industry

The official journal of
the International Society for
Business and Industrial Statistics

Applied Stochastic Models in Business and Industry (ASMBI) invites submission of papers presented at the Latin American Conference on Statistical Computing (LACSC) in San José, Costa Rica (July 15-19, 2024) to a special issue titled **Recent Advances in Statistical Computing and Data Science**.

Papers should present new methods/algorithms and/or interesting applications of existing methods that are relevant to business and industry. All submissions will go through the usual review process of ASMBI. Submissions are possible until **October 19, 2024**, through the site <https://wiley.atyponrex.com/journal/ASMB>. Please follow the ASMBI author submission guidelines given on the ASMBI website and click on the box about submissions for special issues, selecting "LACSC2024" when prompted.

The Guest Editors of the special issue are Alba Martinez-Ruiz (alba.martinez.ruiz@gmail.com), Márcio Luis Lanfredi Viola (lanfredi@ufscar.br), and Martha Bohorquez (mpbohorquezc@unal.edu.co). For any information about ASMBI, please contact its Editor-in-Chief, Nalini Ravishanker (nalini.ravishanker@uconn.edu).
